

**First Addendum to the existing
Collaborative Agreement
between
Fundación para el Futuro de Colombia
and
ECOLE POLYTECHNIQUE**

Ecole Polytechnique and *Fundación para el Futuro de Colombia* (COLFUTURO) of the Republic of Colombia hereinafter designated as “The Parties”;

RECITALS

Whereas the agreement between the Parties was signed on January 26th 2024, both Ecole Polytechnique and COLFUTURO have worked in a highly cooperative manner and the agreement has been beneficial to both parties.

Whereas Ecole Polytechnique wants to complement the conditions of his cooperation.

Whereas, the conditions of the Loan Scholarship Program of COLFUTURO were changed on January 2026.

Whereas, the Agreement between COLFUTURO and Ecole Polytechnique must reflect those changes.

THEREFORE, in consideration of the necessity to amend the Collaborative Agreement of January 26th 2024, the parties herein express their intention to modify it by this First Addendum, which will be legally binding and will have the following modifications to ANNEX 1, sections 5 and 12, and to ANNEX 2.

Firstly. Sections five (5) and twelve (12) of ANNEX 1 will have the following texts:

5. COLFUTURO’s selection process for the Loan-Scholarship Program is done yearly. Applicants must comply with documentary requirements when the online application becomes available.
12. The loan turns into a partial scholarship when the student returns to Colombia and resides there for a pre-established period of time. To qualify for the scholarship, the student must comply with all the requirements previously agreed by him with COLFUTURO.

Secondly. :

Point 4 of the original agreement is hereby amended to expand the scope of eligible programs. Instead of being limited to the specified MScT programs, École Polytechnique agrees that COLFUTURO beneficiaries will be eligible to apply for admission to all MScT (Master of Science and Technology) programs offered by École Polytechnique, including newly created programs, under the same terms and conditions of the Joint Graduate Loan-Scholarship Program.

This eligibility applies to all MScT programs with the exception of joint degrees delivered in partnership with external institutions, specifically HEC Paris and ENSAE Paris. École Polytechnique will continue to provide a 25% tuition fee reduction for all eligible COLFUTURO beneficiaries admitted to the above-mentioned programs.

Thirdly. No conditions of the Collaborative Agreement between **COLFUTURO** and **Ecole Polytechnique** shall be further modified, except as may be contrary to the express terms of this First Addendum.

This agreement will be valid beginning in the academic year 2027 and up to the end date on the original agreement.
