These dates may change each call.
6. COLFUTURO notifies partner universities regarding the selection process results by sending them the list of COLFUTURO beneficiaries admitted to their graduate degree programs.
7. Once students are selected and notified as beneficiaries of COLFUTURO, the latter arranges a meeting with the student to explain in detail the terms and conditions of the Loan-Scholarship. The student who accepts these terms and conditions decides the allocation of this Loan-Scholarship considering the maximum amounts mentioned in item 1. The beneficiary can allocate approved financial support on the following cost items:
