The *Fundación para el Futuro de Colombia* (COLFUTURO) and Centro Linguistico Italiano Dante Alighieri Roma (CLIDA) share an interest in strengthening bilateral cooperation in the field of education between Colombia and Italy, promoting stronger ties between the two institutions to increase the administrative support and guidance available for Italian language studies of Colombian students.

The purpose of this agreement is to foster cooperation and enhance the links between the two institutions through the provision of shared administrative support for talented students admitted to the COLFUTURO Language Program (LP) at CLIDA held at Rome, Italy.

The mutual cooperation will operate as follows:

Once students have been admitted and decided they would like to study at CLIDA, COLFUTURO will support them in their admissions processes to the Italian programs offered by university in reference, following the normal application procedures and meeting all the standard admission requirements (waiving the application fee) established by CLIDA.
2. Students admitted to the Language Program of COLFUTURO are responsible for the attainment of financial resources to cover their programs.

COLFUTURO will receive the students' payments in three different instalments and then make the international wire of the total cost of their program (one payment in full) directly CLIDA account which will have been previously determined. COLFUTURO will pay on the students' behalf before their programs have started. The students will pay other costs such as accommodation, meals plans, etc. directly to the university.
4. CLIDA will invoice COLFUTURO directly for each of the students admitted. The invoices will be prepared separately for each of our individual students and will have a breakdown for every item.
5. CLIDA will provide a partial scholarship (see the attachment A) in the value of tuition for any open enrolment Italian program at CLIDA to every student sent by the Language Program of COLFUTURO. This benefit will be maintained and/or extended for the time the student decides to study at CLIDA.
6. CLIDA will offer a full tuition scholarship to any open enrolment Italian program for every 10 students referred by COLFUTURO in the previous conditions mentioned.

7. COLFUTURO will provide administrative support and guidance to the students with their admissions and visa processes. COLFUTURO will promote CLIDA open enrolment Italian programs at the university centres mentioned above and the benefits agreed to by this mutual cooperation.
8. Each institution will designate a coordinator to implement and monitor this agreement. In particular, the designated coordinators will be responsible for ensuring that:
