**The University of Queensland**

The *Fundación para el Futuro de Colombia* (COLFUTURO) and *The University of Queensland* (UQ) share an interest in strengthening bilateral cooperation in the field of education between Colombia and Australia.

The purpose of this agreement is to foster cooperation and enhance the links between the two institutions through the provision of shared financing for talented Colombian students admitted to graduate degree programs at The University of Queensland, within the framework of a Joint Graduate Loan-Scholarship Program.

## Annex 1

### General Terms and Payment Scheme of COLFUTURO Loan-Scholarship Program

1. COLFUTURO's financing system consists of a Loan-Scholarship of up to USD50,000 for a maximum financing period of two years.
2. The applicants for the Loan-Scholarship determine the amount to be requested from COLFUTURO in accordance with COLFUTURO's policies and procedures.
3. Successful applicants or beneficiaries of this program can use the Loan-Scholarship to cover the full or partial costs of their graduate studies abroad.
4. COLFUTURO's Loan-Scholarship is granted in US Dollars. All payments to beneficiaries (i.e., settling allowance and living allowance) are done in US Dollars but COLFUTURO can pay tuition to universities in other currencies. However, COLFUTURO beneficiaries have the obligation to assume any discrepancy arising from foreign exchange fluctuations, between the US Dollar amount requested to COLFUTURO and the other currencies.
5. COLFUTURO's selection process for the Loan-Scholarship Program is done yearly. Applicants can comply with documentary requirements when the on-line application becomes available in January and up to February 28<sup>th</sup>. Results are published by the mid of May. These dates may change each call.
6. COLFUTURO notifies partner universities immediately regarding the results of the selection process by sending them the list of COLFUTURO beneficiaries admitted to their graduate degree programs.
7. Once students are selected and notified as beneficiaries of COLFUTURO, the latter arranges a meeting with the student to explain in detail, the terms, and conditions of the Loan-Scholarship. The student who accepts these terms and conditions, decides the allocation of this Loan-Scholarship considering the maximum amounts mentioned in item 1. The beneficiary can allocate approved financial support on the following cost items:
  - Airfare
  - Settling Allowance (one-time payment of up to USD2,000)
  - Tuition
  - Health insurance
  - Living allowance (Up to USD2,000 per month)
  - Textbooks and computer allowance (maximum USD2,000 per year)
  - Debtors' insurance

COLFUTURO provides each beneficiary with a sponsorship letter indicating the total amount of the loan-scholarship.

8. COLFUTURO clearly informs the beneficiaries, which of the above items are payable directly to them and to the universities or service providers.
9. COLFUTURO pays annual tuition and fees (and health insurance, when this is included as part of the University's fees) directly to the universities in two installments:

For those beneficiaries who begin their programs during the second semester of the year:

- First payment: November 15th, Student must submit the corresponding invoice to COLFUTURO not later than October 31st
- Second payment: March 15th, Student must submit the corresponding invoice to COLFUTURO not later than February 28th

For those beneficiaries entering during the first semester of the year, the payment scheme is vice-versa, first payment in March and second payment in November.

10. The students are responsible for obtaining financial resources to cover other costs (that are not included in this Loan-Scholarship agreement) related to their program of study.
11. The students have financial responsibility towards the University; COLFUTURO will pay on their behalf. After the final payment is made by COLFUTURO, any outstanding balance, including those resulting from exchange rate fluctuations, must be covered by the student.
12. The loan turns into a partial scholarship when the student returns to Colombia and resides in the country for a pre-established period. To qualify for the scholarship, the student must comply with all the requirements previously agreed with COLFUTURO. The scholarship is granted as follows: 20% for MBA programs and masters in the fields of administration and law, and 40% for masters in all other areas and all doctoral programs. Two additional 20% bonuses can be given as follows:
  - a. Beneficiaries who work full time in the public sector or as academic or researcher will receive 10% during the first year, 5% for the second year and 5% for the third year, to get up to 20%.
  - b. Beneficiaries who work in a city different from Bogotá or its metropolitan area will receive 10% during the first year, 5% for the second year and 5% for the third year, to get up to 20%.

The loan component must be paid by the beneficiary on a monthly basis, upon his or her return to Colombia, according to the established amortization period, which cannot exceed a 5-year term.
